## **About FarmFolk CityFolk**

FarmFolk CityFolk Society has been working to inspire and equip people to eat food that nourishes themselves and the planet since 1993. We are BC’s oldest and largest food and agriculture charitable non-profit organization.

Our programs go from seed to plate—engaging a network of farmers, seed growers, researchers, food system advocates, policymakers, community partners, chefs, and eaters. Together, we are creating food systems in BC that are strong, sustainable, and resilient. Our programs celebrate local food and connect people with the farmers who grow it. We support BC farmers to use local seed and to grow food in ways that mitigate climate change and protect biodiversity.
